

INFO.... SCHWEPPE'S CHALLENGE 2012

MDNA will be entering three teams into the Schweppes Challenge Competition in 2012. The Schweppes Challenge is a representative competition just below the State League Competition in Qld. Games are played once a week at the State Netball Centre, 90 Klumpp Rd, Mt Gravatt, on a Thursday or Friday evening. Training is every Tuesday evening, starting late February.

Proposed Schedule for 2012

Nominations due: Wednesday 1 February 2012

Trials: Tuesday 7 February 2012

First Training: Tuesday 21 February

Team Grading weekend: possibly the last weekend in March

Season Starts: May 2012

Season Ends: September 2012

Season Registration Fees: \$250

Unlike Rep netball for Challenge, State Age and Country Carnival, the Schweppes Challenge Competition offers training and games weekly for up to 18 weeks with a finals play off lasting another 3 weeks. The season is long but can be very rewarding and it is the Netball Qld pathway to lead into the State League Competition. In fact, the Carina Tigers State League Team draws players from the MDNA and Redlands Schweppes Challenge teams.

This is an exciting opportunity to represent MDNA at the highest level so please download your nomination form from the MDNA website and post or email to MDNA by Wednesday 1 February.

Please phone MDNA office 3397 1529 or
Jenny Mauga (Convenor) 0428 262 248 for more details.
